

Can you say “Yes” to these three critical questions?

1. Are you experiencing your **union with Christ** in relationship to the Father?
2. Are you experiencing the **Father’s affection and responding with delight**?
3. Are you **sensing the fruit of the Spirit** in your life as you relate to the Father through Christ?

# SMALL GROUP DISCIPLESHIP PROGRAM

Learn how to integrate critical biblical truth (Trinitarian Spirituality) into your instincts and emotions and as a result, into your family life and relationships. First we will explore how the Fall, culture, and family background has influenced your perspectives, emotions, and instincts. As you learn what those effects are, you will begin to understand and experience how to transition from that background into an emotionally healthy participation in God’ s new family, the Body of Christ. ◦
